## NEWS FROM

### Meg Barnden-Hyde

I am pleased to inform all the families that I have accepted the offer of Centre Manager position at TG's Childcare Armidale. It is exciting to be returning to TG's Armidale to meet new families and be part of the Armidale TG's family and share my wealth of experience in management, leadership, mentoring and building relationships. This position will commence Monday 4<sup>th</sup> March 2019.

It is with great pleasure to announce that Bron will continue her journey with TG's and step into the position of Centre Manager at TG's Uralla. Over the past 2 years I have had the beautiful experience of mentoring and developing Bron's management and leadership skills and seeing her grow as an Educator and a 2IC Manager in training.

We have such a beautiful team in Uralla who have developed and grown under my leadership. It has been such an honor to work with them all. And under Bron's guidance they will continue to grow and develop as beautiful educators.

Thank you to all the beautiful families I have met during my time in Uralla and I wish everyone the best for the future.

Cheers

Meg

## Educational Leader

### Bron Byers

With Bron stepping into the Centre Manager position we are happy to announce that Meg Devine will become part of the Uralla TG's family.

Meg has been the Team Leader in the Boaties room at TG's Armidale and will become the Team Leader in the Joey's room at Uralla.

She will be supported by educator's Emily and Bek. Please make sure you introduce yourself to Meg Devine and make her feel welcome at TG's Uralla.

TG's operates under the EYLF. This framework was developed by the Department of Education and outlines 5 learning outcomes for children from birth to 5 years based around the themes of Belonging, Being and Becoming.

**OUTCOME 1:** Children have a strong sense of identity.

**OUTCOME 2:** Children are connected with and contribute to their world

**OUTCOME 3:** Children have a strong sense of wellbeing

**OUTCOME 4:** Children are confident & involved learners.

The Joey's are making connections and building relationships with their families and ask all families to bring in family photos to be used within the TG's family tree they are making with the children.

Photos can be emailed to [uralla@tgschildcare.com.au](mailto:uralla@tgschildcare.com.au) or brought into the centre to get photocopied. These photos can be of your family members, family friends and please include the pets in your life.

The family tree will assist with promoting for all children to feel a sense of being, belonging and becoming within the TG's environment.

Due to health and hygiene standards we are asking all families to take their child's drink bottles and hats home at the end of each day and bring them back in the child's bag the next TG's day for their

Thank you, Uralla Bowling Club, for their kind donation of the bowl sets we can use with the children to develop their hand-eye co-ordination, balance and physical development.

In the Preschool room our curriculum is based on the children's interest. The educator's discovered that a common family interest is having Pizza for tea. To extend and further develop children's knowledge the children and educators are creating their own pizza shop and through play the children can learn different social, mathematical, physical, health and emotional concepts. Why not make homemade pizzas with your children this weekend?

Children use expressive language every day to communicate.

Within our room we are exploring how children can communicate with each other in a positive expressive way. Through this we have been able to incorporate sign language into our daily routine and give our Pre-schoolers opportunities to express themselves to one another in different ways.

TG's Uralla went through Assessment and Rating late January 2019. This was a huge team effort from educators, management and families. We are excited to announce that TG's Uralla got meeting in Area 1 (Educational Program and Practice), Area 2 (Children's Health and Safety), Area 3 (Physical Environment), Area 5 (Relationship with Children) and Area 7 (Governance and Leadership). We are Exceeding the national Quality Standard for Quality Area 4 (Staffing Arrangements) and Quality Area 6 (Collaborative Partnerships with Families)
